

## Happy Christmas from Shalbourne Stores!

Hello everyone, thank you to all of those who came along to our tasting evening, it was a great success and an opportunity to taste lots of goods. Cheese, wine and a range of smoked game from The Ramsbury Smokehouse were on offer which all proved very popular. The smoked game will be available in the New Year as the products are still undergoing testing before being ready for sale.

It is now time to start deciding what meats to order for Christmas. We will be getting meats from Sumbler Brothers in Marlborough and fish from our dealers based in Andover. Order forms are now in the shop with a list of all the products on offer. Not only Turkey, Geese and Ham, but why not throw in some pigs in blankets, chestnut stuffing and sausage meat... don't forget we take veg orders too! Ordering through us will save you the hassle of queuing up and struggling to find a parking spot.

Whilst you are in the shop do look for our hampers on display. They can be tailored to your liking and delivered by courier if required, a great Christmas present!

As the weather (finally) turns colder remember that we stock logs, coal grit and de-icer. If you find yourself snowed in please do give us a call and we will endeavour to get supplies to you, and help you get out and about again.

Finally as you are making your Christmas and New Year plans, why not leave your drinks orders with us. The wine offers at the tasting evening will run through to the end of December so pop in for a list. We will give a 5% discount on any 12 bottles of wine all through December. We can also organise soft drinks, spirits, bubbly and supply wine glasses or flutes if required. Any un-opened bottles can be returned if you are not sure how much you will need for a party.

Thank you for your support this year and have a lovely time over the festive period. May 2015 bring you all much love and happiness.
